

RBVC Membership Report
Half Yearly General Meeting
March 2026

Membership numbers at the club have held steady over the past year with a slight increase in aquatic members and a slight decrease in senior members.

Membership is a core pillar of our Strategy and continues to be an important focus of the GC. This is not so much about numbers but about ensuring that members of all ages and interests feel welcome and comfortable as part of the RBVC community and proud to be part of it.

New members are welcomed with an interview by a member of General Committee or a senior member of the club.

Total member numbers as at end February 2026 are 1718 compared with 1725 as at the end of February 2025.

28.5% of members are Female, which is only slightly higher than last year.
