Under Section 76 of the Club Rules, I hereby give notice to propose an alteration to the Club Rules at the Half Yearly Meeting.

There will be three proposed alterations:

1) An addition to Section 4, Definitions, to define the term “Officer”

2) Changes to Section 53 points 2 & 3, Ballot. To simplify the voting process so that both paper and electronic voting can be done as first past the post removing the need for any manual interpretation of ballot results.

3) Provision for the situation of a tied ballot, with changes to be in line with the Consumer Affairs Model Rules
